Term Learning Overview
Eastern Fleurieu School
Ashbourne R-6 Campus
Year 3-6 class, Term 1 2016

Teacher:
David Hodges

Important Dates:
Acquaintance night 15/2
Assembly 2/3
Student free day 15/3
Harmony day 21/3
Sports day 24/3
Interviews 6/4

Mathematics:
Number and Algebra
Place Value
Skip Counting
Times Tables
Number Operations
Problem Solving
Number Lines
Measurement
Measure, order and compare length, mass and capacity
Convert between metric units
Statistics and Probability
Identify chance of everyday events
Conduct chance experiments and describe probabilities
List probabilities of outcomes

Science:
Chemical Science
Changing states of matter, cooking
Earth sciences
Changes in the Earth, erosion
Biological Science
Life cycles, living things change
Science Skills – questioning, observing, investigating

Health/PE:
How people develop, grow and change
Input from: Lyndall – Counsellor and Kerry – Pastoral Support Worker
PE program with Jono

The Arts:
Change - Time lapse photography
Art program with Paul
Music program with Natalie

Specialist Subjects:
PE – Jono Koutsikas
Indonesian- Kaye Grund
Music – Natalie Baker
Science/Technology – Jemma Mawby
Art – Paul Steele

HASS:
History
Cause, effect and impact of change
Timelines/mapping skills
Personal/family change
Community/school change
Changes in technology
Early explorers – how they changed the world
Mapping explorations

Integrating Concept:
CHANGE

English:
Writing
Persuasive writing
Narrative writing
Interviews/Experiments
Spelling and Word Study
Grammar and Punctuation
Handwriting

Reading and Viewing
Class novel – James and the Giant Peach
Viewing task to compare movie and novel
Behind the News – respond to stories

Listening and Speaking
Presentations
Class Meetings
Group discussions

Number and Algebra
