ENGLISH

Writing
- We will learn and develop the craft of writing using The 7 Steps to Writing Success. This term students will be writing narrative and persuasive pieces.

Listening and Speaking
- Informal, small group and whole class sharing, discussion and debate will be the focus this term.

Spelling
- Students will use the Words Their Way resource in Word Study. Students are required to complete small homework tasks three nights a week with this.

Reading
- A range of reading comprehension strategies will be taught and revisited through explicit teaching and guided reading group activities.

GEography

Students will research and learn about the characteristics of suburbs, towns, cities, states, countries and continents. We will look at the environmental characteristics of major countries in Asia, Europe and North America. Students will also learn about Indigenous Populations in different countries.

PHYSICAL EDUCATION

Is with Mr Koutiskas
