Use properties of odd and even numbers
Use place value to partition, rearrange and regroup numbers to solve problems
Investigate number sequences with multiples of 3, 4, 6, 7, 8 & 9
Recognise, represent and order numbers to tens of thousands
Multiplication and division facts
Time problems
Convert between units of time
Secret Code/Mental Computation
Estimation / rounding

Learning Plan
Term 1 2016
Strathalbyn R-6 Campus
Teacher: Maria Muller
Room 14 Term 1 2016

Specialist Teachers
Indonesian
Kay Grund

Physical Education
Jono Koutiskas

Performing Arts - Music
Ashleigh Tarling

Visual Arts
Paul Steele

Technology
Kelly Charlton

Identify and explore a range of digital systems
Recognise how devices are used for different purposes
Explore how data can be represented in different ways
Use simple software to create information and solve problems

Science
Forces can be exerted through direct contact or from a distance
Questioning and predicting
Planning and conducting experiments
Processing and analysing data and information
Evaluating and communicating ideas and findings
Waterwatch

Health
Child Protection – Right to be safe
Tribes and Quality Start activities
Friendly Schools – understanding bullying
Buddies with Room 23
Class meetings
Cybersafety

Humanities and Social Sciences
Geography
The use and management of natural resources and waste, and the different views on how to do this sustainably

Humanities and Social Sciences
History
The diversity of Australia's first peoples and the long and continuous connection of Aboriginal and Torres Strait Islander Peoples to Country/Place (land, sea, waterways and skies)
