

Junior Primary

Students will listen and respond to classroom instructions spoken in Indonesian. They will learn the numbers to ten in Indonesian and become familiar with the traditional story, Kancil and the Crocodile. Students will participate in songs, games, written and reading activities.

Middle Primary

Students will become conversant with the targeted language and grammar concepts introduced in a story about school items. They will participate in speaking, reading and writing tasks. Students will be informed about the Indonesian school system.

Term 3 Learning Overview

Eastern Fleurieu School

Strathalbyn, Langhorne Creek, Milang and
Ashbourne R-6 Campuses

Teacher: Kaye Grund

Upper Primary

Students will focus on the introduced target structures and vocabulary presented in a story. They will become familiar with the story and participate in reading, speaking and writing tasks. Cultural awareness about Indonesian food and sport will be developed.

Kue dadar
