Middle Primary

Middle Primary PE lessons will focus on using the fundamental movement skills to perform in game situations. The challenges lie in using several skills in the one activity. Co-operation activities evolve into teams and larger groups solving challenges with and without equipment. Sportsmanship and following game rules is a continued focus.

Curriculum Content Descriptors

- Practise and refine fundamental movement skills in different movement situations
- Adopt inclusive practices when participating in physical activities
- Apply basic rules and scoring systems, and demonstrate fair play when participating

Upper Primary

Upper Primary PE lessons work on defining which particular skills relate to specific sports. This is done through game situations that provide students with like styled sports in a lesson. This also allows students to connect the sports strategically. Co-operation activities relate to the strategy problems encountered in the games. Sportsmanship and following game rules in a continued focus.

Curriculum Content Descriptors

- Participate positively in groups and teams by encouraging others and negotiating roles and responsibilities
- Practise specialised movement skills and apply them in different movement situations
- Demonstrate ethical behaviour and fair play that aligns with the rules when participating in a range of physical activities
