

English

Writing

- We will continue to use the 7 Steps to improve writing and focus on enhancing vocabulary with weekly sessions.

Listening and Speaking

- Students will write and present persuasive speeches convincing their peers to move to their state as a part of our Federation unit in HASS.

Spelling & Grammar

- Students will be assessed and begin using Words Their Way to improve spelling and the understanding of many language features. Weekly homework is required to help with this.

Reading

- We will fine tune fluency, expression and focus on developing comprehension strategies; self-monitoring & synthesising.

Humanities and Social Sciences

We will delve into colonial Australia leading up to and immediately after Federation. Students will learn about the important people of this time and what influenced decisions about Federation.

Health

Growth and Development will run for four weeks of this term on Monday afternoons.

Digital Technology

with Mr Bilney

Learning Plan Term 3 2017

Strathalbyn R-6 Campus
