

Term Learning Plan

Eastern Fleurieu School

EASTERN FLEURIEU
SCHOOL

Strathalbyn R-6 Campus

Teacher: Maria Macdonald
Term 3 2017

Mathematics

Describe possible everyday events and order their chances of occurring.

Identify everyday events where one cannot happen if the other happens.

Identify events where the chance of one will not be affected by the occurrence of the other.

Select and trial methods for data collection, including survey questions and recording sheets.

Construct suitable data displays from given or collected data.

Evaluate the effectiveness of different displays in illustrating data features including variability.

Use scaled instruments to measure and compare lengths, masses, capacities and temperatures.

Compare angles and classify them as equal to, greater than, or less than, a right angle.

Health

Child Protection – Recognising and reporting abuse

Tribes activities

Friendly Schools

Buddies with Room 23

Class meetings
