Term Three Learning Overview

Eastern Fleurieu School

EASTERN FLEURIEU
SCHOOL

Strathalbyn R-6 Campus

Teacher:

Penny Falland R/1

Mathematics

NUMBER & ALGEBRA;

Reception-- Recognition of numerals 0-20 and beyond, connect number names and numerals. Subitise small collections of objects. Represent practical situations to model addition and subtraction. Establish understanding of the language and processes of counting by naming numbers in sequences, initially to and from 20, moving from any starting point.

Year 1- Develop confidence with number by skip counting by 2's,5's,10's. Continue to recognise, read, write numbers to 100, trusting the count of number. Solve simple addition and subtraction problems.

Use the secret code to work through number problems, using strategies like count on, near doubles, rainbow facts and friendly numbers.

Recognise, describe and order Australian coins according to their value.

MEASUREMENT & GEOMETRY;

Reception- Connect days of the week to familiar events and actions.

Year 1- Revision of describing duration using months, weeks, days and hours. Tell the time to the half hour.

Play and Creative Activity-(PACA)

Play based learning is an integral part of children's learning. It enables children to have learning experiences with their peers in a less structured way. Children will build their skills in cooperating, developing relationships with each other through outside games, mobile, Construction, home corner etc.
